1. RENTERS: You will need to snail mail us a copy of the portion of your rental lease which pertains to pets before we could proceed with your application. Mail this along with your application to: Teresa Cotton, 23163 St. Rd. 37 North, Noblesville, IN 46060-9635.

2. VETERINARIAN REFERENCE: If you do not currently have a veterinarian, you will need to provide us with the name, address and phone number of one that you plan to be asking to accept you as a client.

3. FENCING: We feel that fences are a piece of equipment and we do prefer that you have a fence. Qualified applicants that can assure us of their ability to safely contain a pet in an unfenced yard may be considered as adopters. We do not feel that homes that have small children and unfenced yards are safe placements for our rescued shelties.

It will be returned for completion.***

We have the right to refuse any applicant.
